Terms and Conditions

Please read these terms and conditions of use carefully before signing this membership. By signing this application, you signify your agreement to the terms listed below

Heritage Heating & Cooling service membership

When you open a service membership account with us, you hereby agree to pay all charges to your account in accordance with billing terms in effect at the time the charge becomes payable. Your membership is a minimum 12-month agreement that automatically renews and your credit, debit or checking account will be charged each month, unless you cancel the membership prior to the anniversary date. We reserve the right to increase the monthly fees only on the anniversary date. The 12-month payment obligation starts over at each anniversary date. Once renewed, if you choose to cancel, you are obligated to either pay for the services you have received at full price, or the full 12 months of the agreement.

Monthly Membership

If you chose to pay your membership monthly, you will be debited monthly for the service membership out of a checking account, credit or debit card. When you join the membership, you are agreeing to pay for a full year of payments, if you choose to cancel prior to the full year, you are responsible for the services rendered at full cost or the rest of the length of the full year. For example, if you cancel your membership after 6 months and we performed one of both maintenance visits, you are to pay for the remainder of your 6-month agreement for the services performed.

You may cancel your membership by calling us or sending us an email to membership@heritage-service.com. When you request termination, there is no refund for any unused portion of the current membership. Discounts are based on a 12-month membership, therefore, in the event that discounts were given for diagnostic fees, services rendered, or new equipment and you elect to terminate your membership prior to the 12-month minimum, you agree to reimburse Heritage Heating & Cooling the discount in full prior to cancellation.

Your right to service is subject to any limits established Heritage Heating & Cooling or by your credit card issues or bank. If payment cannot be charged to your credit card or the charge is returned for any reason, including chargeback, Heritage Heating & Cooling may suspend or terminate your membership, thereby terminating this agreement and all obligations of Heritage Heating & Cooling hereunder. Heritage Heating & Cooling has the right to send a termination invoice at that time

Credit Card and Checking Information

Heritage Heating & Cooling takes the issue of your privacy seriously, including the security of your credit card and banking information. We will only use your information for internal purposes and your information will be shared with any other organization or sold for solicitation to any business

Limitation of Liability

Under no circumstances, including but not limited to, negligence, shall we be liable for any direct, indirect, incidental, special or consequential damages that result from the use of, or the inability to use, any services provided under this agreement. Applicable law may not allow the limitation or exclusion of liability or incidental or consequential damages, so the above limitation or exclusion may not apply to you. In no event shall our total liability to you for all damages, losses and caused of action (whether in contract in tort including, but not limited to negligence or otherwise) exceed the amount paid by you, if any, for your membership.

Heating and Cooling Memberships

Equipment Qualifications

Clients with heat pumps, boilers, mini splits or geothermal will be charged at a higher rate of \$19.95 per month per system. The Silver Membership only applies to clients with a standard furnace and air conditioner.

Precision Service Schedule

We will contact you when it is time to schedule your precision service. We will call you, send an email reminder or letter in the mail, or do all until we reach you. We've programmed specific dates that our technicians will be in your area. This allows us to maximize our technician's day and ensure a prompt response time to your scheduling needs. If you do not schedule your service by the end of that heating or cooling season, your visit will expire.
